U.S. Patent & TMO/TM Mail Rcpt Dt. #22

Sir:

By Order of the Interlocutory Examiner, Thomas W. Wellington, Esquire, dated March 21, 2003, proceedings in this case were suspended pending completion of discovery deposition upon written questions. To date, despite the filing of Petitioner's Cross-Questions to Registrant, no effort has been made by the Registrant to schedule the taking of the deposition upon written questions. Over a year has elapsed since the Trademark Trial and Appeal Board's Order, which

clearly indicated that "the Board expects the parties to take all reasonable steps and actions to conclude matters in an efficient and timely manner."

Accordingly, proceedings should be resumed and new dates set for testimony and rebuttal periods.

Respectfully submitted,

March 30, 2004
